Feb 1st 1886

To His Excellency Gov. Fitz Lee
Richmond Va

My Dear Genl

I thought of writing to You Ever since Your reelection - Congratulating You & saying how much all your friends in this part of the Old Commonwealth were rejoiced at Your ~~Election~~ Selection - But I knew You would receive So Many Congratulations that it would prove rather a bore ~~than~~ otherwise So I thought it best to abstain - I think You Must have had great faith in old Londoun however - As I think it was the Only County You did not visit during the Campaign - Although Some thirty Miles to Must You & was disappointed ~~I know how~~

Well, I suppose we Must forget the past unpleasantness in our Country's history & be come fraternally loyal - But way down in our inmost hearts will still burn a little Spark of Love for That "Lost Cause" that cost So many Noble sacrifices of all That is dear to humanity - I think That This Spark was kindled to a blaze during the last Campaign - And I almost imagine that many a dear Confederate became visibly in his grave

I have had This Spark rekindled in my own heart lately, on receipt of a letter from Lee B Baker of Abingdon Va A member of my old Company. Who was my Orderly Sgt when I was a

Mr Smith Wells of Maysville received
five wounds in the gallant Charge his
Company Made at the Cane fight he has
a brother Killed. he is a Graduate of the
Univ of Va has been teaching School for thirty
years & is a first Class man in every way. He
writes me, that the Pro Rector to have taken most
of his Scholars & that he finds it hard to support
a wife & five Children & request me to write to
you in his behalf. he will apply for the place
of Superintendent of Public Schools in Washington
County & I do hope You will do all you
can for this most worthy Man. he says
Dr Buchanan knows him well. but he thinks
he is pledged to some other man. but I know
You can get him to "join the Cavalry" if you try.
By the by, I hope you will encourage Volunteer Cavalry
Companies. I think they would be a good thing
to have in different parts of the State. well, I must say
good by. I only intended to write you a few lines. but
I find it hard to stop talking to an old Comrade
With best wishes I am as ever
Your true friend
